**Fine Dining Musical Luncheon, Tuesday 25<sup>th</sup> September 2007, £190 per person**

By the request of **Robert Broad Travel**, Orient-Express Trains are bringing their latest train, the Orient-Express Northern Belle to Lichfield for the first time ever in 2007.

Throughout the history of luxury rail travel one name has stood proudly above all others, a world recognised symbol of unashamed luxury and delightful indulgence – Orient-Express.

Orient-Express epitomises the highest standards of quality and gracious living. Encapsulating the grace and elegance of yesteryear, passengers enjoy immaculate service and sumptuous cuisine as breathtaking as the ever changing view beyond their picture window.

### Your Carriages

The Orient-Express Northern Belle embodies the distinctive opulence and skilled craftsmanship associated with the classic 'Belle' trains of the 1930's. Expertly and exquisitely detailed, each carriage bears the name of a British stately home or Castle and is furnished with specially commissioned designs, fabrics and marquetry. Every carriage is a work of art, a delightful symphony of intricate marquetry, polished brass and beautifully patterned upholstery that provides the perfect atmosphere of comfort and elegance.

### The Cuisine

The cuisine is a delight, accompanied by champagne and wines carefully selected to compliment the fine food served at your table, which is set with starched white cloth, shining silver and glittering crystal.

### The Service

The service, like your journey, will be calm and unruffled. Settle into your deeply comfortable seat and be transported back to another age while Britain's glorious countryside unfolds outside your picture window.

### The Excursions

Be one of a very special club by enjoying one of two departures scheduled for Lichfield. Enjoy a luxurious feast for all your senses onboard the Orient-Express Northern Belle with a Luxury Fine dining Excursion or a day trip to the RHS Tatton Flower Show. Savour mouth watering food and carefully selected wines as you relax and let our attentive stewards care for your every need as the rich and varied tapestry of the country's finest landscapes of the English countryside glides gently by.
